

# EL PASO COUNTY DELINQUENT MANUFACTURED (MOBILE) HOME TAXES

OFFICE OF THE TREASURER  
 EL PASO COUNTY  
 STATE OF COLORADO  
 MARK LOWDERMAN, TREASURER

**PUBLIC SALE: NOVEMBER 14, 2018**  
**1675 GARDEN OF THE GODS ROAD**  
**COLORADO SPRINGS, CO 80907**  
**9:00 A.M.**

Public Notice is herewith given that I, Mark Lowderman, will, according to law, offer at public sale in the El Paso County Treasurer's Office, 1675 Garden of the Gods Road, Colorado Springs, Colorado on Wednesday, November 14, 2018, commencing at the hour of 9:00 a.m., as many of the following listed manufactured (mobile) homes classified as personal property located in El Paso County on which property taxes for the indicated years remain unpaid at the close of business on November 9, 2018. I will sell each manufactured (mobile) home, subject to the statutory redemption period, by a certificate of sale to the person who shall pay the largest amount in excess of the property taxes, late payment interest, advertising costs, charges and fees due at the time of sale. The amount listed is the amount of taxes certified on the assessment roll and tax warrant to which is added late payment interest, advertising costs, charges and fees as provided by law. An additional certificate of sale fee of four (4) dollars will be added for each manufactured home at the time of sale.

|                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                   |
