ALL bids must be covered by cash, or certified funds. Personal/Business checks will NOT be accepted. Electronic fund transfers (wires) will be accepted if the money is received in our office two business days before the tax sale. Early deposits are encouraged. Buyer deposits may be mailed to, or made in the Office of the County Treasurer, 1675 Garden of the Gods Road, Suite 2100, Colorado Springs, Colorado 80907. Buyers must indicate in writing whether they **DO** or **DO NOT** desire to participate in the automatic rotation selling at the time their deposit is made. Required forms and additional tax sale information are available on the Treasurer's website: <http://trs.elpasoco.com>.

Except as stated above for electronic fund transfers, deposits must be received prior to 11 a.m. on October 24, 2017 for inclusion in the automatic rotation selling which will begin promptly at 1 p.m. Once the automatic rotation selling begins no deposits will be allowed until that process is completed. During the automatic rotation selling once a buyer's deposit amount is expended, that bidder number will no longer be considered. If the amount of the lien exceeds the available balance, the bidder number will be skipped. Deposits for open bidding will again be accepted after the conclusion of the automatic rotation selling the afternoon of October 24, 2017, and at 8:00 a.m. on October 25, 2017.

Deposits must be made in the name which will appear on the tax lien sale certificate. Transfers of deposits or purchases from one account to another will not be permitted during or immediately following the sale.

In the open bidding categories it is the buyers' responsibility to monitor their purchases to avoid overspending. All remaining unexpended funds will be refunded as quickly as possible after the close of the sale.

Seating

Seating is limited and reserved for registered buyers. We ask that observers move to the back of the room or outer corridor. Children younger than 16 years old are discouraged from attending. Buyers do not need to be present to participate in the automatic rotation selling.

Buyer Information

Only one bidder card will be issued per buyer. Each buyer must be registered and have funds on deposit to participate in the sale. Each buyer participating in the open bidding categories must pick up his/her own bidder card on tax sale day. The Treasurer reserves the right to limit buyer numbers issued to any individual or agent. Each buyer is required to complete an Internal Revenue Service form W-9 with name, address and social security number or federal tax identification number; a buyer registration form; and an automatic rotation selling authorization form. Bidder numbers for new buyers will be assigned only after the forms are submitted with a deposit. Bidder cards are issued on the day of the open bidding sale. If the buyer does not desire to participate in the automatic rotation selling, written notice must be given at the time deposit is made.

Buyers who have purchased tax liens at prior sales do not need to register again. Any changes to existing buyer information must be provided annually. Buyers are responsible to ensure that the information on their registration is correct and current. Tax lien sale certificates, refund checks, redemption checks and 1099 interest forms are prepared from this information. Before leaving the sale all bidder cards must be returned to the Treasurer's Office.

Buyer's Responsibility

It is the buyers' responsibility to know the quality of the property on which they are paying the taxes and receiving a lien. Buyers must rely entirely on their own information, judgment and inspection of the property records. The recommendation of the Treasurer is that you consult with private legal counsel prior to participation in the tax lien sale.

Sale Procedures

Each tax lien will be offered in compliance with Title 39, Article 11, of the Colorado Revised Statutes. To facilitate the

sale procedure, parcels which are contiguous or contained within one subdivision may be combined and sold as a group.

The base (minimum) amount for each tax lien is comprised of the unpaid ad valorem tax, special assessments, late payment interest, collection fees, advertising cost and other fees.

The tax liens will be separated into categories to facilitate the sale. The sale will officially commence on October 24, 2017 and conclude on October 25, 2017.

Make sure you know what you are bidding on. If a bonus bid is offered for a tax lien, the amount of the bonus is paid in *addition* to the tax lien amount. Bonus bids are not recovered. The bonus amount goes directly to the County General Fund.

All sales are final.

Automatic Rotation Selling October 24, 2017 at 1 p.m.

Buyers do not need to be present to participate in the automatic rotation selling. Buyers must be registered and have sufficient funds on deposit by 11 a.m. on October 24, 2017, to be considered. If buyers do not want to participate in the automatic rotation selling, they must so state in writing at the time their deposit is made. Once the sale starts, no deposits will be allowed until after the completion of the rotation selling. Reports which list the liens sold to each buyer will be available by close of business on October 24, 2017. For buyers that do not pick up their reports on that day, reports will be handed out to them when they pick up their bidder card on October 25, 2017. Reports not picked up on October 25, 2017 by the conclusion of the sale will be mailed out.

- Category Two - will contain the liens for a single property or multiple properties where the total amount of the lien is greater than \$100.00 and less than or equal to \$2,000.00.

Open Bidding October 25, 2017 at 8:30 a.m.

These liens will be offered for general (open) bidding and will be sold to the buyer who pays the largest bonus (premium) bid in excess of the minimum amount.

- Category One – will contain the liens where the total amount of the lien is less than or equal to \$100.00.

- Category Three – will contain the liens for a single property or multiple properties where the total lien is greater than \$2,000.00.

- Category Four – will contain the liens for properties with alert information. The alert information is a good faith effort to share known information with prospective tax lien sale buyers. It is not all inclusive. The Treasurer and the County are unable to warrant the alert information or lack of alert information. The tax lien sale buyer participates at his or her own risk.

The sale process is subject to change depending on the number of tax liens available.

For all open bidding the sequence index number and the base (minimal) amount of each parcel or unit will be read only once. All successful bids are final (assuming the buyer has sufficient monies on deposit). No changes in, or cancellation of, parcels purchased can be made after the lien is sold.

The sale will be conducted as rapidly as possible, consistent with the objectives of the sale and in fairness to all buyers. We may recess for lunch at around noon or choose to continue until the sale is concluded.

Any announcement of adjournment or reconvening will be made at the sale.

Rules for General (open) Bidding

Tax liens will be sold to the person who shall pay in addition to the lien amount a bonus (premium) bid. Bonus (premium) bids are not returned or recovered when a tax lien is redeemed (cured).

Bonus Bids

Bonus bids are the amount paid for a tax lien, in addition to the tax lien amount. Bonus bids are not recovered when a tax lien is redeemed. The bonus amount goes directly to the County General Fund.

Minimum bids and bid increase increments are as follows:

Categories 1 and 4: bonus bids will not be less than \$1.00 and will increase in increments of whole dollars.

Category 3: bonus bids will start at \$20.00 and will increase in increments of whole dollars.

Record of Purchase

A tax lien sale certificate of purchase will be issued for each property and will be in the statutory form stating the property description, purchase amount, rate of interest, buyer name as shown on the registration, and the date of sale. Original certificates are retained in the Treasurer's Office for safe-keeping. Certificates are assignable; however, no assignments will be permitted until 10 business days after the sale. If delinquent taxes occur in the future, the certificate holder may endorse the amount of delinquent taxes and lawful charges onto his/her certificate until redemption.

Redemption Interest

Interest begins to accrue from the month the certificate is issued. The interest earned is calculated based on the interest rate and the number of months up to and including the month of redemption. There is no compounding. The interest rate for tax lien sale certificates of purchase in 2017 will be eleven percent (11%) per annum.

Prohibited Buyers

El Paso County officials or employees or their immediate family or agents may not participate in the purchase of liens.

General Information

It must be understood that the sale and purchase of the tax or special assessment lien at a tax lien sale does not, as it might under simple sales and purchase agreements, convey the right of possession, use, improvement, or access to the property. The buyer is issued a tax lien sale certificate of purchase on which he/she is entitled to interest. The lien may be redeemed by the property owner, any person having a legal or equitable claim or by the agent of either party at any time prior to the issuance of a Treasurer's tax deed. A Treasurer's tax deed cannot be issued prior to the third anniversary of the tax lien.

The certificate holder has the right to pay (endorse) subsequent year's taxes and lawful charges once they become officially delinquent. If a certificate holder chooses to endorse, the amount will be added to the existing tax lien. Endorsement information will be mailed to all eligible certificate holders in early July.

If the tax lien remains unredeemed (unpaid) and becomes eligible for a tax deed, the certificate holder must make application to the Treasurer in order to initiate the tax deed process. The procedural requirements normally take nine to twelve months to accomplish. An extension of the time period may occur when there are complex problems related to the property. Deed applications may be made four calendar months prior to the third anniversary date of the certificate. When application is made, monies must be deposited to pay all related deed expenses. The deed application processing costs are recoverable if the property is redeemed; however, no redemption interest is earned on the deed expenses. Prior to receiving a Treasurer's tax deed, all subsequent taxes, special assessment liens and current taxes must be paid. El Paso County makes no guarantee for the condition or marketability of any property which is acquired through a Treasurer's tax deed.

WRONGFULLY SOLD LIEN - If a lien is wrongfully sold and the County must pay the certificate holder the redemption interest, the rate will be calculated as set forth in Section 39-12-111, Colorado Revised Statutes.
